Members and Associates:

The North Texas Geological Society is seeking sponsors for its website and monthly meetings. These sponsors will help NTGS defray the costs associated with our normal operating activities as well as contributing to the funds used to sponsor students and faculty of the Geosciences department of Midwestern State University.

NTGS relies on the established companies and oil industry professionals in the North Texas area for support in order to continue to serve the geologic community. NTGS provides funds for scholarships to students in the geoscience programs at Midwestern State University and underwrites the cost of MSU students attending geological events and short courses such as the Bill Haley Memorial Short Course offered annually in January by the Southwest Section of AAPG.

In addition to scholarships and support of the MSU Geosciences Department, NTGS underwrites 75% of the monthly luncheon costs for students attending our meetings. This gives the students a chance to interact with established members of the North Texas geosciences community in a relaxed, informal environment.

Payment can be made either by check or by credit card through PayPal's secure credit card site. Please contact Jerry Hickman by return email at jhickman@jlhgeo.com for further information.

The following are some of the ways you can help support the NTGS:

Website Advertising

Home Page Rotating Banner with web site link (includes an add on our Sponsors Page)	<u>Yearly Cost</u>	\$75.00
--	--------------------	---------

Monthly Meeting Sponsor

Sponsor a monthly luncheon – Your company graphic is projected on the screen prior to the technical presentation.	<u>Cost per luncheon</u>	\$75.00
---	--------------------------	---------

Sponsor luncheons for a full year of 7 meetings (September – May except December & March)	<u>Cost per Year</u>	\$500.00
--	----------------------	----------

If you have any questions, or if you need more information, please contact jhickman@jlhgeo.com or call (512) 751-7527. To visit our web site, go to www.ntgeologicalsociety.org
